

Shawarma Inn - Franchise Brochure

PARTNER WITH A PROVEN WINNER

Shawarma Inn - North Chennai's proven QSR success since 2017
TURN A SMALL INVESTMENT INTO LIFETIME PROFITABILITY

The Core Proposition - Low Investment, High Return

Franchise Fee	Rs. 1 lakh only
Total Setup Cost	Rs. 5 to 7 lakhs (all inclusive)
Agreement Term	LIFETIME VALIDITY / No renewal fee
Min Space Requirement	200 sqft

The Power of Low Investment, High Volume.

Our streamlined model focuses on efficiency, minimum overheads, and maximum consistency. This allows for a minimal initial investment while tapping into Chennai's high-demand QSR market, significantly reducing your financial risk.

The Profit Potential - Transparent Earnings

Daily Chicken Usage	Monthly Profit
5kg - 7kg	Rs 30000 - Rs 40000
7kg - 10 kg	Rs 40000 - Rs 60000
10kg +	Rs 60000 + (Ideal Scenario)

Potential Payback Period - 12 months to 24 months

Our royalty structure is minimal and simple. You pay a **flat fee of ₹ 2,000/- per month** after your initial 3-month setup period. This allows you to retain maximum profit and focus on scaling your business

Comprehensive Support & Brand Value

Partnership Beyond the Paperwork: Our Full-Spectrum Support.

We don't just sell you a brand; we partner with you for success. Our support starts from day one and continues through the lifetime of your agreement.

I. Pre-Launch Success:

Strategic Site Selection: Hands-on assistance, including **field market research** and competitor analysis to guarantee a prime location.

Compliance & Licensing: Full support for **FSSAI and GST** registration, ensuring your business is compliant from day one.

Digital Onboarding: Complete setup on high-volume delivery platforms (**Swiggy & Zomato**), maximizing your reach and revenue channels.

II. Operational Excellence:

Full Staff Training: Comprehensive, experienced training for your newly recruited staff on all aspects of food prep, hygiene, and customer service.

Supply Chain: Access to our trusted vendors and proprietary recipe ingredients for **consistent, high-quality product delivery**.
